Gessate, March 18<sup>th</sup>, 2024

### **Subject: Resitape successful participation in MCE 2024**

On March 12<sup>th</sup>-15<sup>th</sup> Resitape exhibited at the 43<sup>rd</sup> MCE 2024 – Mostra Convegno Expocomfort – held at Fieramilano-Rho exhibition grounds (booth B14, hall 10).

MCE confirmed its reputation as a world leader exhibition in civil and industrial plant engineering, air conditioning, renewable energy and the water world, attracting 1,700 exhibitors and around 121,000 visitors of whom over 30% came from 141 countries outside Italy. This year the tradeshow was focused mostly on energy efficiency and energy transition.

Matteo Panizza, Resitape CEO, said: *“I am very happy about the exhibition results. The four exhibition days were hectic, with plenty of new leads as well as visits by longtime partners. Our Sales Team had the possibility to present our broad offering of PTFE thread seal tapes and monofilament sealants, especially Twineflon® and Cordflon®, for plumbing and gas applications to a wide international audience. We look forward to MCE 2026!”*

Resitape has been present on global markets since 1962. In our facilities close to Milan we manufacture PTFE tapes, monofilaments and filaments for different applications, not just for the plumbing and gas industries, but also for the aerospace, automotive, medical and oral care sectors. According to our partners, our keys assets are in particular the high quality of our Made in Italy products, our historical trademark and excellent track record, our in-house production and R&D and our utmost attention to customer care services.
