Subject: Resitape Sales Team

Resitape is pleased to announce the hiring of Claudio Bellandi as Head of Sales.

Claudio holds a diploma in Bio-Chemical Engineering and he is a result-driven senior Manager focused on creating and executing company strategies.

Claudio has over 25 years experience in international sales across Chemical and Fluoropolymer industry focused mainly on PTFE. Claudio target is to be part and to lead a strong team to deliver the best possible products along with the best possible service to exceed partners expectations. His track record shows that he is able to create strong long term partnerships.

Claudio will strengthen Resitape Sales Team. Together with Enza Noschese, Resitape Customer Care Specialist, our Sales Team aims to support more and more our clients providing them a best-in-class customer care service.

Resitape also takes the opportunity to thank Stephanie Mollicone, our former Sales Director, for the work done in the last couple of years. Stephanie left the Company in the middle of September.
