Liscate (Milano), January 24, 2020 - Resitape is pleased to announce the appointment of Matteo Panizza as the new Chief Executive Officer

Matteo has a considerable professional experience from investment banking, private equity and financial sponsors' portfolio company management. He worked several years in M&A for Dresdner Kleinwort Investment Bank, based in London, then he joined first M&C, an Italian investment company, mainly focused on turnaround deals, then Dea Capital, De Agostini Group's investment vehicle, based in Milano. Before joining Resitape, he worked more than eight years for Sisal Group, an Italian company currently owned by CVC Capital Partners. Matteo holds a degree cum laude in Business Administration, management of international companies area, from Bocconi University, Milano.
